

## WHAT IS RELAY FOR LIFE?

Relay For Life is the American Cancer Society's signature activity. It offers everyone in a community an opportunity to participate in the fight against cancer. Each team is encouraged to raise at least \$100 per team member and have a representative on the track at all times. Relays are an overnight event, to symbolize the fact that cancer never sleeps, so neither should we. The light and darkness of the day and night parallel the physical effects, emotions, and mental state of a cancer patient while undergoing treatment.

Relay For Life mobilizes more than 3.5 million people in communities throughout the country to celebrate people who have battled cancer, remember loved ones lost, and provide participants with an opportunity to fight back against the disease.

Colleges Against Cancer™

## WHAT IS COLLEGES AGAINST CANCER (CAC)?

Colleges Against Cancer (CAC) is a nationwide collaboration of college students, faculty, and staff dedicated to eliminating cancer by working to implement the programs and mission of the American Cancer Society. With hundreds of chapters nationwide, CAC engages college students through four Strategic Directions: Advocacy, Cancer Education, Relay For Life, and Survivorship. Currently there are 77 CAC chapters on college campuses across the East Central Division.

**For more info on college Relay For Life events or Colleges Against Cancer activities, visit [college.relayforlife.org](http://college.relayforlife.org).**

# JUNIATA COLLEGE RELAY FOR LIFE

Juniata College has a longstanding tradition for service and giving to others. As a member of our **Relay for Life** committee or as a member of a Relay for Life team, you can be a part of this tradition. In 2015, we were able to raise nearly \$20,000 for the American Cancer Society!
